

# COMMUNITY INVESTMENT FRAMEWORK

## VISION 2040

We aim to improve living standards, build respectful relationships, and create stronger communities in the areas where we operate.

	RESILIENT COMMUNITIES	ECONOMIC PATHWAYS	ENVIRONMENT
FOCUS AREAS	Supporting access to social infrastructure, systems and services to help build healthy communities	Advancing skills, systems and infrastructure for communities to create economic opportunity	Supporting environmental initiatives and programs that support and protect biodiversity
OUTCOMES	<ul style="list-style-type: none"> <li>Improved health and wellbeing</li> <li>Increased social inclusion/diversity</li> <li>Increased community connection and participation</li> </ul>	<ul style="list-style-type: none"> <li>Increase in skills and qualifications that lead to sustainable employment pathways</li> <li>Improved local infrastructure</li> </ul>	<ul style="list-style-type: none"> <li>Protect and re-establish biodiversity</li> <li>Support environmental research and education programs, as well as land and water conservation</li> </ul>
SDGS	  	  	  

Santos Foundation invests in partnerships and local initiatives to help communities thrive.

This framework seeks to define community broadly, including all the many individuals, groups and organisations located in the areas where we operate.

# COMMUNITY PARTNERSHIPS

Requests for community investment will be assessed based on Santos' Community Investment Framework and the following guidelines

## FUNDING GUIDELINES

**Alignment with Santos' vision and community investment focus areas**

**Alignment with Santos Operating Regions**

**Demonstrates community need and outcomes relevant to that need**

**Detailed budget to demonstrate how funds will be used**

**Agree to measure funding outcomes**
